## About Vision online services

We offer an online service for our patients so you can book your appointments and order your repeat prescriptions online at your convenience.

### Online appointment booking

Have the flexibility to book and cancel your appointments from home, at work or any location with internet access. You don't need to queue at the practice, wait on the telephone and you can manage your appointments outside practice opening hours.

### Request your repeat prescriptions online

Request your repeat prescriptions quickly online by logging into your account and simply ticking the appropriate boxes. You can review the progress of your repeat prescriptions and any message that the practice may have sent to you.
